You know you could've been a wonder<sup>B</sup>  
 Takin' your circus to the sky<sup>E</sup>  
 You couldn't take it on the tight rope<sup>B</sup>  
 No you had to take it on the side<sup>E</sup>  
 You always like it undercover<sup>B</sup>  
 Tucked in between your dirty sheets<sup>E</sup>  
 But no one's even done nuttin' to ya In between the hollers<sup>B A G Gb E</sup>  
 and the screams

Refrão: ( B A G Gb E )  
 And I said nah nah hey hey  
 Another dirty bird ain't givin' out a taste  
 In the black of the night till the red morning light

You got your cozy little corner<sup>B</sup>  
 All night you're jammin' on your feet<sup>E</sup>  
 Hangin' out just like a street sign<sup>B</sup>  
<sup>E</sup>

And put a twenty dollar trick  
 I hear you're blowin' like a feather<sup>B</sup>  
 And then they rub it in your face<sup>E</sup>  
<sup>B A G Gb E</sup>  
 Oh once they've had all their fun hun You're at the bottom of  
 the cage

Refrão: ( B A G Gb E )  
 And I said nah nah hey hey  
 Another dirty bird ain't giving out a taste  
 In the black of the night till the red morning light  
 And I said nah nah hey hey you're givin' all your cinnamon  
 away  
 That's not right
