

Kings Of Leon - Revelry

Tom: B

What a night for a dance, you know I'm a dancing machine **E** **Gb7**
 With the fire in my bones and the sweet taste of kerosene **Abm** **Gb7**
 I get lost in the light so high don't wanna come down **E** **Gb7**
 To face the loss of the good thing that i have found **Abm** **Gb7**

Woo hoo hoo **E** **Gb7**
 Woo hoo hoo **E** **Gb7**

In the dark of the night I can hear you calling my name **E** **Gb7**
 With the hardest of hearts I still feel full of pain **Abm** **Gb7**
 So I drink and I smoke and I ask you if your ever around **E** **Gb7**
 Even though it was me who drove us right in the ground **Abm** **Gb7**

See the time we shared it was precious to me **A**
 But all the while I was dreaming of revelry **B** **E**
 (**E** **Gb7**) (2x)

Gonna run baby run like a stream down a mountainside **E** **Gb7**
 With the wind at my back I won't ever even bat an eye **Abm** **Gb7**
 Just know it was you all along who had a hold of my heart **E** **Gb7**
Abm **Gb7**

But the demon and me was the best of friends from the start

See the time we shared it was precious to me **A**
 But all the while I was dreaming of revelry **B** **E**
 (**E** **Gb7**)

Dreaming of revelry **Gb7** **E**
 (**E** **Gb7**)

And I told myself for the way you go **A**
 it rained so hard it felt like snow **Gb7**
 Everything came tumbling down on me **Abm** **Gb7**
 In the back of the woods in the dark of the night **A**
 Palest of the old moonlight **Gb7**
 Everything just felt so incomplete **Abm** **Gb7**
 Dreaming of revelry **Gb7** **E**
 (**E** **Gb7**)

Dreaming of revelry **B** **E** **Gb7**
 Dreaming of revelry **Gb7** **E** **Gb7**
 Dreaming of revelry **Gb7** **E** **Gb7**
 Dreaming of revelry **Gb7** **E** **Gb7**
 Dreaming of revelry **Gb7** **E** **Gb7**
