Solo Intro:

My motivation is going too soon
The good vibrations all over you
I'm glad you mean it, you mean it
You got a story you never tell
Out on the delta, I'm ringing the bells
I've never seen it, seen it
Back of my mind, I'm on my way
I see through smiles on every face
I don't believe it, believe it

Cause' I'm a supersoaker, red, white, and blue, I'm all away
With the kisses aren't clean as the word that you say

I don't mind sentimental girls, sometimes, please don't walk

away, walk away

It's like I'm flying across the plains
I got a secret hidden in my brain
I wanna see you, see you
Yeah this time is on my face
I don't know my home, I don't know my place
I just wanna be there, be there

Cause' I'm a supersoaker, red, white, and blew'em all away
With the kisses unclean as the word that you say

I don't mind sentimental girls at times, miss don't walk away, walk away
I don't mind sentimental girls at times, miss don't walk away, walk away
(A Dbm Bm E)

I don't mind sentimental girls at times, I just let on through life, on through life
I don't mind sentimental girls at times, must I walk away, walk away
I don't mind sentimental girls at times, must I walk away, ohhhhhh
