

Kings Of Leon - When You See Yourself, Are You Far Away?

tom:

Intro: C
 C
 This space in time, this hated breath
 C G
 I've seen your kind at your very best
 C
 This long goodbye is overdue
 G C
 You never came where I called on you

(C)

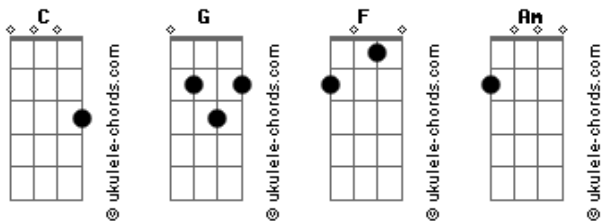

C
 The bastard wind is on your back
 C G
 The rabid dog has caught your track
 C
 The golden age of old advice
 G C
 Don't give no cause or alibi

G F
 One more night, one more night, will you stay here?
 G F
 One more night, one more night we'll be safe, dear
 G
 One more night, one more night
 G F
 On? more night, one more night, will you stay h?re?
 F C
 One more night, will you stay here?

(C)

C
 We've crystalized it's dawned on you
 C G
 You have the face of someone new
 C
 The pleasures of this life I'm told
 G C
 Will spit you out in the middle of the road
 G C
 A scenic place the sky grows cold

Acordes

(C)

G F
 One more night, one more night, will you stay here?
 G F
 One more night, one more night we'll be safe, dear
 G
 One more night, one more night
 G F
 One more night, one more night, will you stay here?
 F C
 One more night, will you stay here?
 G F
 One more night, one more night, will you stay here?
 G F
 One more night, one more night, will you stay here?
 F C
 One more night, will you stay here?

(C)

Am
 Ooh
 C
 When you see yourself, are you far away?
 C
 Is it night or day?
 Am
 Ooh
 C
 When it comes to you if you reach the moon
 C
 Can I be there too?

Am
 Ooh
 C
 When you see yourself, are you far away?
 C
 Is it night or day?

Am
 Ooh
 C
 When it comes to you if you reach the moon
 C
 Can I be there too?
