

Kira Kosarin & Jack Griffo (The Thundermans Theme Song) - Livin' A Double Life

Tom: E

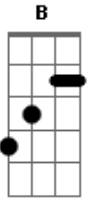

What you see is not what you get
 Livin' our life with a secret
 We fit right in, bet you never guess
 Livin' our life just like all the rest
 A picture perfect family
 Is what we try to be

look closer you might see the crazy things we do
 This isn't make believe
 its our reality
 just your average family
 Trying to be normal
 and stay out of trouble
 livin' a double life.
