

# Kira Kosarin - Poison

tom:

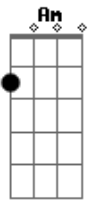

Am (forma dos acordes no tom de Em)

Capostrate na 5ª casa

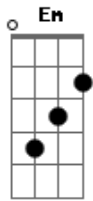

You're a bad decision that I wanna make  
 Oh, your chemicals, so incredible  
 Messin' up my vision, buzzin' in my brain  
 Unforgettable, might regret it, though  
 I shouldn't call, but I want to  
 I don't know why, but I like you  
 You're poison to the touch  
 I can't get enough  
 I think I can take a little more  
 Venom in my blood  
 Dangerous and dumb  
 I just wanna take a sip of  
 Poison, poison  
 You're poison to the touch  
 I can't get enough  
 I think I can take a little  
 Now and then, I wanna get another taste  
 I'm delirious, why so serious?  
 It's a little toxic, running through my veins  
 I can feel the fallout, but I'ma do it anyway  
 I shouldn't call, but I want to

I don't know why, but I like you  
 You're poison to the touch  
 I can't get enough  
 I think I can take a little more  
 Venom in my blood  
 Dangerous and dumb  
 I just wanna take a sip of  
 Poison, poison  
 You're poison to the touch  
 I can't get enough  
 I think I can take a little  
 More, more, more, more, more  
 You're poison to the touch  
 I can't get enough  
 I think I can take a little more  
 Venom in my blood  
 Dangerous and dumb  
 I just wanna take a sip of  
 Poison, poison  
 You're poison to the touch  
 I can't get enough  
 I think I can take a little  
 More, more, more, more, more
