

Kirk Franklin - Don't Take Your Joy Away

Tom: C
 Intro: C C C7 F7

Don't take
 your joy,
 away

Don't take
 your joy,
 away

I know , that I have done
 wrong But I'm asking You
 as I sing this song
 Don't take your joy away

Don't take it
 I can't make it
 I've tried it
 I can't live without it

Restore unto me the joy of my salvation
 Make me Jesus a new creation
 Shake me and make me
 Hold me and mold me
 Choose me and use me
 Chastise me Revive me

Acordes
