

# Kirk Franklin - Don't Take Your Joy Away

Tom: C  
Intro: C C C7 F7

Don't take  
your joy,  
away  
Don't take  
your joy,  
away  
I know , that I have done  
wrong But I'm asking You  
as I sing this song  
Don't take your joy away

Don't take it  
I can't make it  
I've tried it  
I can't live without it  
Restore unto me the joy of my salvation  
Make me Jesus a new creation  
Shake me and make me  
Hold me and mold me  
Choose me and use me  
Chastise me Revive me
