

Kirk Franklin - Don't Take Your Joy Away

Tom: C
Intro: C C C7 F7

Don't take
your joy,
away
Don't take
your joy,
away
I know , that I have done
wrong But I'm asking You
as I sing this song
Don't take your joy away

Don't take it
I can't make it
I've tried it
I can't live without it
Restore unto me the joy of my salvation
Make me Jesus a new creation
Shake me and make me
Hold me and mold me
Choose me and use me
Chastise me Revive me
