

Kirk Franklin - Love Theory

Intro: Gb Bb7 Bbm tom:
 How can it be that you love the most unlovable part of me, of me?
 How could you see your life was the only gift I'll ever need to be free?

It's amazing with you, I win even if I lose
 Everything's working for my good for always
 [Refrão]

He saved the day
 He will come through
 He won't doubt, that's not what super heroes do
 No greater love makes my heart beat
 All I wanna do is make you proud of me

I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you
 How can it be, everyone of my secrets that you keep, you cover me
 A mystery, your patience with me, God, will never leave, don't ever leave

Help me to see like you, No matter what I go through
 Everything's working for my good for always

He saved the day
 He will come through
 He won't doubt, that's not what super heroes do
 No greater love makes my heart beat
 All I wanna do is make you proud of me

I don't wanna love nobody but you
 I don't wanna love nobody but you

I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you
 Loving you will be
 will be the death of me
 That's how it's supposed to be
 More of you, less of me

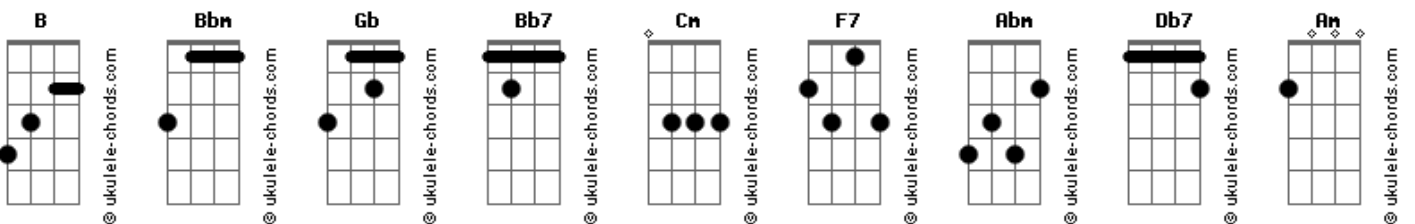

I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you

He saved the day
 He will come through
 He won't doubt, that's not what super heroes do
 No greater love makes my heart beat
 All I wanna do is make you proud of me

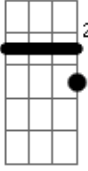

He saved the day
 He will come through
 He won't doubt, that's not what super heroes do
 No greater love makes my heart beat
 All I wanna do is make you proud of me

I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody but you
 I don't wanna love nobody, love nobody but you
