

# Kirk Franklin - My World Needs You

Tom: Db  
Intro: Gb Ebm Db Ab

[Verso 1]

Show me your face  
Fill up this space  
My world needs you right now  
My world needs you right now  
I can't escape  
Being afraid  
Fill me with you right now  
My world needs you right now

[Verso 2]

Show me your face  
Fill up this space  
My world needs you right now  
My world needs you right now  
I can't escape  
Being afraid  
Fill me with you right now  
My world needs you right now

[Verso 3]

Power fall down  
Bring with it a sound  
That points us to you right now  
Erase substitutes right now  
Fix what I see  
And God please fix me  
My world needs you right now  
Let us see you right now

[Verso 4]

Power fall down  
Bring with it a sound  
That points us to you right now  
Erase substitutes right now  
Fix what I see  
And God please fix me  
My world needs you right now  
Let us see you right now

[Refão 1]

Every heart in the world,  
God, needs you to rescue  
Storms have come  
and torn our hearts in two  
We need you

[Verso 5]

Show me your face  
Fill up this space  
My world needs you right now  
My world needs you right now

[Ponte 1]

Storms may come  
but when we call your name  
All things change  
Kingdoms fall,  
one thing  
Forever reigns is your name

[Ponte 2]

The anchor that holds me in my pain stays the same  
Oh how sweet to know that your great name  
Will never change

[Ponte 3]

Jesus, (oh)  
Jesus, (nobody like you Jesus)  
Jesus, (power is in the name Jesus)  
Jesus, (yes I need you)  
Jesus, (that's where the power is)  
Jesus, (you have all of the authority)  
Jesus, (only you are the great I am, you're the king of kings,  
you're the lord of lords)  
Jesus

[Verso 5]

Storms may come  
but when we call your name  
All things change  
Kingdoms fall,  
one thing  
Forever reigns is your name

**Db** **Gb** **Bbm7**  
 Oh how sweet to know that your great name  
 Will never change **Ab**  
**Bbm7** **Ab**  
 It's stays the same  
 [Coda]

**Gb**  
 Show me your face  
 Come fill this space **Ebm**  
**Db**  
 My world needs you right now  
**Ab** **Gb**  
 My world needs you right now
