Childhood's end Simmons, Thayer, Kulick

[Intro: E-chord faded in and manipulated by volume knob]

[Rhy. fig la & 1b] [Rhy. fig lc]

[Rhy. fig 2a]
I lived a life of illusion and you had your kicks
So what, there's nothing left to do
And you and your obsessions and your crucifix
As if what I thought mattered much to you

[Rhy. fig la & lb] And you were always my friend from Childhood's End It was forever and ever

[Rhy. fig 3a & 3b] Did you understand It's Childhood's End But never, the dream is over

[Rhy. fig 2a & 2b]
Sunday morning in the New York Times
I read you died last night
It said you were smilin' when you blew your mind
And the note you left behind said:

[Rhy. fig 1a & 1b]
You were always my friend from Childhood's End
Seems like forever and ever
Yeah, you won't have to have to pretend
It's near the end
You won't ever be a rock and roller

Yeah, you were always my friend from Childhood's End But never, the dream is over

[Rhy. fig 4]
You were just like me
I was just like you
For eternity I'll think of you

[Solo over Rhy. fig 1a followed by Rhy. fig 3a] [Harmony on bar 5 of solo]

[Rhy. fig 1a & 1b with Riff 1] [Rhy. fig 3a & 3b with Riff 1] (Repeat choruses, overlapping, fade out) You've got something about you, You've got something I need...
