

Kiss - Dance All Over Your Face

```
Tom: C
                                                                  DANCE ALL OVER YOUR FACE
                                                                  (G. Simmons)
   F Tunina
                                                                  [Rhythm Fig. 1][End. 1]
[Rhythm Fig. 1][End. 2]
Key:
     = slide up
     = slide down
                                                                  [Rhythm Fig. 1][End. 3]
Baby, I know it's a jungle out there
١
     = bend (whole step)
h
b
     = bend (1/2 \text{ step})
b
     = bend (1 1/2 steps)
                                                                  [Rhythm Fig. 1][End. 3]
    = pre-bend
                                                                  Well if you can play it cool, I can play it debonair
     = release-bend
     = release-bend half-step
                                                                  [Rhythm Fig. 1][End. 3]
     = hammer-on
                                                                  You were warm, but there was an inner ice
     = pull-off
     = Vibrato
                                                                  [Rhythm Fig. 1][End. 2]
    = Natural Harmonic
                                                                  And baby, it was like a rollin' dice
\#(\#) = Trill
   = Artificial Harmonic
                                                                  [Rhythm Fig. 1][End. 3]
     = Muted String (Palm Muting)
                                                                  Well I told you once, I told you twice
     = Muted String (Fretboard Muting)
    = Dive w\bar
                                                                  [Rhythm Fig. 1][End. 1]
(\)
    = Release w\bar
                                                                  Hey listen babe, there's trouble in paradise
    = Tap w\plectrum
                                                                  [Rhythm Fig. 2][End. 4]
                                                                  Well I found a lipstick stain of your kiss
Rhythm Fig. 1
                                                                  [Rhythm Fig. 2][End. 5]
                                                                  Well you can sink your teeth into this, bitch, so
  End 1.
                   End 2.
                                      End 3.
                                                                  [Rhythm Fig. 3]
                                                                  I'm gonna dance, dance all over your face

                                   Fnd 4.
                                              End 5.
                                                                  [Rhythm Fig. 3]
                                                                  I'm gonna dance all over your face
                                                                  [Rhythm Fig. 3]
Rhythm Fig. 3
                                                                  I'm gonna dance, dance all over your face
                                                                  [Rhythm Fig. 3]
  Fill 1.
               Fill 2.
                             Fill 3.
                                           Fill 4.
                                                                  I'm gonna dance all over your face
                                                                  [Rhythm Fig. 1][End. 1] w/ [Fill 1.]
Rhythm Fig. 4
                                                                  Hey baby, can you pass this quiz
                                                                  [Rhythm Fig. 1][End. 2]
                                                                  Well, just put your money where your mouth is
Rhythm Fig. 5
                                                                  [Rhythm Fig. 1][End. 3] w/ [Fill 2.]
                                                                  You're as sharp as a slap from a lover's hand
          |without pick|
                                                                  [Rhythm Fig. 1][End. 3]
Rhythm Fig. 6
                                                                  Hey baby, baby, baby, this is all I can stand
                                                                  [Rhythm Fig. 1][End. 3] w/ [Fill 3.]
                                                                  You played your hand, and now you lose
Rhythm Fig. 7
                                                                  [Rhythm Fig. 1][End. 1]
                                                                  Well listen bitch, I've got news
Rhythm Fig. 8
                                                                  [Rhythm Fig. 2][End. 4]
                                                                  Yes, I saw you with another man
                                                                  [Fill 4.]
      (\)
Outro Solo.
                                                                  [Rhythm Fig. 2][End. 5]
                                                                  and you put me in disgrace, so
                                                                  [Rhythm Fig. 3]
                                                                  I'm gonna dance, dance all over your face
                                          fast tremolo
                                                                  [Rhythm Fig. 3]
                                                                  I'm gonna dance all over your face
                                            tremolo
                                                                  [Rhythm Fig. 3]
                                                                  I'm gonna dance, dance all over your face
                                                                  [Rhythm Fig. 3]
                                                                  I'm gonna dance all over your face
                         tremolo
```
