

[Rhy. Fig 1a and 1b]
Hey, baby
(I...got an angry soul - I got a broken home)
I'm gonna stick it in your heart of chrome
(I got no self-control - you gotta a heart of chrome)
Yeah, sugar
(And now you're gonna see - that since you messed with me)
I'm gonna stick it in your heart of chrome
(You'll pay eternally - for your heart of chrome)
Your heart of chrome

[Rhy. Fig 4a and 4b]

[Solo over Rhy. Fig 5]

[Rhy. Fig 6]
You told me lies about all that you feel

I realize now that nothing was real
You took everything you could beg, borrow, steal
