

Kiss - I Pledge Allegiance To the State of Rock and Roll

```
Tom: D
                                                                     And I'm livin' up to my reputation
                                                                     [Rhythm Fig. 3] w/[Riff.1]
   Standard tuning
                                                                     Yeah I'm satisfied
Rhythm Fig. 1
                                                                     yeah until the day I die
                                                                     [Rhythm Fig. 4]
                                                                     I gave my blood and I gave my soul I stood my ground and I took control
Rhythm Fig. 1a
                                                                     The legend's growin as the story's told
                                                                     I pledge allegiance to the state of
                                                                     Rock & Roll, Oh Yeah!
                                                                     [Rhythm Fig. 5]
[Rhythm Fig. 2] w/[Rhythm Fig. 2a]
Rhythm Fig. 2
                                                                     [Rhythm Fig. 2] w/[Rhythm Fig. 2a](2x)
                                                                     I've been a rebel for all my life
Rhythm Fig. 2a
                                                                     I never cared about regulations
                                                                     I only went for the things I liked
                                                                     And my guitar was my inspiration
Rhythm Fig. 3
                                                                     [Rhythm Fig. 3] w/[Riff.1]
                                                                     Yeah we pay a price
Yeah I made the sacrifice
Rhythm Fig 4
                                                                     [Rhythm Fig. 4a](2x)
                                                                     I gave my blood and I gave my soul
                                                                     I stood my ground and I took control
The legend's growin as the story's told
Rhythm Fig 4a
                                                                     I know that heaven's gotta wait
                                                                     I pledge allegiance to the state of
                                                                     Rock & Roll
Rhythm Fig. 5
                                                                     [Solo] w/[Rhythm Fig. 6] then [Rhythm Fig. 2b]
                                                                     [Rhythm Fig. 3] w/[Riff.1]
                                                                     Yeah I'm satisfied
                                                                     Yeah until the day I die
Rhythm Fig. 6
                                                                     [Rhythm Fig. 4]
                                                                     I gave my blood and I gave my soul
                                                                     I stood my ground and I took control
                                                                     The legend's growin as the story's told
                                                                     I know that heaven's gotta wait
Rhythm Fig. 7
                                                                     [Rhythm Fig. 4a]
                                                                     I gave my blood and I gave my soul
                                                                     I stood my ground and I took control
The legend's growin' as the story's told
Solo
                                                                     I know that heaven's gotta wait
                                                                     I pledge allegiance to the state of
                                                                     [Rhythm Fig. 5]
                                                                     Rock & Roll
                                                                     [Rhythm Fig. 7]
                                                                     Rock & Roll
                                                                     Key:
                                                                          = slide up
                                                                           = slide down
                                                                     h
                                                                          = bend (whole step)
                                                                          = bend (1/2 step)
Riff 1
                                                                     h
                                                                          = bend (1 1/2 steps)
                                                                     h
                                                                     pb
                                                                          = pre-bend
                                                                          = release-bend
                                                                          = tap with righthand finger
I Pledge Allegiance to the State of Rock & Roll
                                                                          = hammer-on
                                                                          = pull-off
                                                                          = Vibrato
[Rhythm Fig 1]
[Rhythm Fig 1] w/[Rhythm Fig. 1a]
                                                                         = Natural Harmonic
                                                                     #(#) = Trill
[Rhythm Fig 2] w/[Rhythm Fig. 2a](2x)
                                                                        = Artificial Harmonic
Lookin' back yeah I feel alright
                                                                          = Dead notes (no pitch)
Gettin' more than my expectations
                                                                     P.M. = Palm mute (- -> underneath indicates which notes)
Yeah my future looks clear and bright
                                                                     (\) = Dive w\bar
                                                                     (/) = Release w\bar
                                                                     Tp
                                                                         = Tap w\plectrum
```
