Kiss - I Still Love You

Tom: G Intro: /verses rhythm 1	outtro chorus variation "I still love you"
let ring note not repeated 2nd tim around(I never	e e B G 4
"You tell me that you're leavin'"	
really noticed that before)	E 0
"I had myself believin'"	Letra:
"take it like a man" "But if you gotta goyou gotta know	You tell me that you're leaving, and I'm trying to understand I had myself believing I should take it like a man But if you gotta go, then you gotta know that it's killing me
." "that it killin' me" "And al the things	And all the things I never seem to show, I gotta make you see l Girl it's been so long, (tell me) how could it be One of us knows the two of us don't belong in each others
"I gotta make you see"	company It hurts so much inside, your telling me goodbye, you wanna be free And knowin' that you're gone and leavin' me behind
to 2nd verse	I gotta make you see, I gotta make you see, I gotta make you see
after 2nd verse(bridge) "I gotta make you see" "I	I still love you, I still love you I really, I really love you, I still love you People tell me I should win at any cost But now I see as the smoke clears away, the battle has been lost
fade in	I see it in your eyes, you never have to lie, I'm out of your life
gotta make you see" "I gotta make you see"	Tonight I'll dream away and you can still be mine But I'm dreamin' a lie, dreamin' a lie, makes me wanna die 'Cause I still love you, I still love you
"I stilllove you	Baby, baby I love you, I still love you And when I think of all the things you'll never know There's so much left to say 'Cos girl, now I see the price of losing you will be my half
still love you (I really, really) Love you I	I still love you, I still love you I really, I really love you, I still love you
stilllove you solo break	Baby, baby, I love you, I love you, I really, I really love you
