

## Kiss - In Your Face

```
Tom: D
   E Tunina
                                                                  IN YOUR FACE
Key:
     = slide up
     = slide down
                                                                  [Rhythm Fig. 1]w/[Riff. 1](2nd & 3rd Time only)
١
     = bend (whole step)
h
     = bend (1/2 step)
                                                                  [Rhythm Fig. 2]w/[End.1]
h
pb
    = pre-bend
                                                                  I'll never cut my hair
     = release-bend
                                                                  I'll never shed my skin
     = hammer-on
                                                                  I won't give in
     = pull-off
                                                                   'cause that's the original sin
     = Vibrato
    = Natural Harmonic
                                                                  [Rhythm Fig. 2]
#(#) = Trill
                                                                  Now I Know I don't belong
                                                                  Can't do right if I can't be wrong
   = Artificial Harmonic
    = Pick Slide
                                                                  You won't catch me
     = Muted String (Palm Muting)
                                                                  SInging the same old song
     = Muted String (Fretboard Muting)
                                                                  No you won't
     = Temolo Pick
                                                                  [Rhythm Fig. 2]w/[End.1]
                                                                  Ask me no questions
Rhythm Fig. 1
                                                                  And I'll tell you no lies
                                                                  I never say never
                                                                  Yeah, I never say die
                                                                  [Rhythm Fig. 2a]
                                                                  Don't push me to the limit
Rhythm Fig. 1
                                                                  Wouldn't wanna be in your place
                                                                  Better look out
                                                                   'Cause the AC<mark>E</mark> is in your face
                                                                  [Rhythm Fig. 3](2x)
                                                                  In your face
                                                                  I know I always go too far
Rhythm Fig. 2
                                                   end.1
                                                                  [Rhythm Fig. 3 w/end.1]
                                                                  In your face
Oh yeah, but I've been
                                                                  Saved by my guitar
Rhythm Fig. 2a
                                                   end.1
                                                                  [Rhythm Fig. 3](2x)
                                                                  In your face
Rhythm Fig. 3
                                                                  They say I come from
                                                                  Another place
                            end. 1
                                                                  [Rhythm Fig. 3 w/end.1]
Rhythm Fig. 4
                                                                  In your face
                                                                  Oh yeah, I'm the man
                                                                  From outer space
                                                                  [Rhythm Fig. 2]w/[End.1]
Riff. 1
                                                                  [Rhythm Fig. 2]
                                                                  Now ask me no questions
                                                                  And I'll tell you no lies
Riff. 2
                                                                  I never say never
                                                                  I never say die
                                                                  [Rhythm Fig. 2]w/[End.1]
Riff. 3
                                                                  You might be hallucinating
                                                                  I can't tell if you are on glue
                                                                  What I can't have
                                                                  Is what I want
                                                                  I think you know it's true
                                                                  [Rhythm Fig. 1a] w/[Riff. 2]
          tr tr tr
                                                                  [Solo] w/ [Rhythm Fig. 4]
                                                                  [Rhythm Fig. 4] w/[Riff. 4](Fade Out)
                                                                  In your face
Solo
                                                                  I know I always go too far
                                                                  In your face
Oh yeah, but I've been
                                                                  Saved by my guitar
                                                                  In your face
                                               tr tr tr
                                                                  Everyone knows I come from
                                                                  Outer space
```

In your face Just don't forget I'll always be there In your face

That's right
I'm the man
That's right, curly
That's right
I'm the ace

## **Acordes**
