                                                                 Into the void.
                                                                 I'm being pulled, I'm being pulled down.
Rhythm Fig. 1
                        end. 1
                                                                 Into the void.
                                                                 This place is spinning, spinning around.
                                                                 [Rhythm Fig. 4 w/ end.1] w/[Riff.1 Repeated]
                                                                 Into the void.
   end. 2
                           end. 3
                                                                 Feel like I'm being pulled into a black hole.
   end. 4
                                                                 [Rhythmm Fig. 2a]
                                                                 This crazy feeling's screwing with my head.
                                                                 I'm overloading and my gauges are red.
Rhythm Fig. 2
                                                                 State of confusion's got ahold on me.
                                                                 [Rhythm Fig. 3]
                                                                 I feel a hesitation.
                                                                 I'm being drawn, pulled out of the track
                                                                 Don't like the situation.
Rhythm Fig. 2a
                                                                 Caught like a magnet and I'm being pulled.
                                                                 [Rhythm Fig. 4] (3x) w/[Riff.1 Repeated]
                                                                 Into the void.
                                                                 I wanna get away, get away.
                                                                 Into the void.
                                                                 I'm being pulled, I'm being pulled down.
Rhythm Fig. 3
                                                                 Into the void.
                                                                 This place is spinning, spinning around.
                                                                 [Rhythm Fig. 4 \text{w}/\text{end.1}] \text{w}/[\text{Riff.1 Repeated}]
                                    B Chord>
                                                                 Into the void.
                                                                 Feel like I'm being pulled into a black hole.
Rhythm Fig. 4
                                                                 Into the void.
                                                                 I'm being pulled, being pulled down down down.
                                                                 (Into the void.)
   end.1
                                                                 [Solo] w/[Rhythm Fig. 5]
   end. 2
                                                                 [Rhythm Fig. 1 w/end.1] (3x)
                                                                 [Rhythm Fig. 1 w/end.3]
Rhythm Fig. 5
                                                                 [Rhythm Fig. 4] (5x) w/[Riff.1 Repeated]
                                                                 Into the void.
                                                                 Don't like this feeling, I'm being pulled down.
Riff. 1
                                                                 Into the void.
                                                                 I wanna get away, get away.
                                                                 Into the void.
                                                                 Feel like it's spinning, spinning around.
Solo
                                                                 Into the void.
                                                                 I'm being pulled, being pulled down down down.
                                                                 Into the void.
                                                                 Get away, get away.
                                                                 [Rhythm Fig. 4 w/ end.1] w/[Riff.1 Repeated]
                                                                 Into the void.
                                                                 It's like I'm being pulled into a black hole.
                                                                 Into the void.
                                                                 [Rhythm Fig. 1 w/end.1] (3x)
```
