

Nothin' and no one is stopping me now
[Rhy. Fig 2a]
(Out of the cold into the fire)
Just hang tough and we'll make it somehow

[Rhy. Fig 3]
How many times have you given up more than you got
Counting on things turning out when you know they will not
Ain't gonna take it, kick it and break it
Just look around
Before it's all over it's gonna get rough
[Riff 2]

[Rhy. Fig 1]
I've had enough
(Out of the cold into the fire)
Nothin' and no one is stopping me now
[Rhy. Fig 7a]
(Out of the cold into the fire)
Just hang tough and we'll make it somehow

[Rhy. Fig 1]
I've had enough
(Out of the cold into the fire)
Nothin' and no one is stopping me now
[Rhy. Fig 2b]
(Out of the cold into the fire)
Just hang tough and we'll make it somehow

[Rhy. Fig 4]
Wishin' and hopin'
Won't get you nothin'

Prayin' and scheming
No time for dreaming
I've got the power
This is the hour now
[Rhy. Fig 5 w/ Riff 3]

[Solo over Rhy. Fig 7a (3x)]
[Rhy. Fig 2b]
