

## **Kiss - King Of Hearts**

```
Tom: D
                                                                   Riff 2
                                                                             Tap harm.
                                                                                                      Pick only once
   Rhythm Fig. 1 (P.M. throughout)
                                                                   Riff 3
Rhythm Fig. 2 (let ring)
                                                                   [Rhy. Fig 1] (2x)
Rhythm Fig. 3
                                                                   [Rhy. Fig 2]
                                                                   [Rhy. Fig 3]
                                                                   [Rhy. Fig 2]
Rhythm Fig. 4
                                                                   [Rhy. Fig 4]
                                                                   [Rhy. Fig 5]
Rhythm Fig. 5 (P.M. on single notes)
                                                                   [Rhy. Fig 6]
                                                                   She was just 19, but in here eyes she was old enough to know
Rhythm Fig. 6 (P.M. on single notes)
                                                                   We were caught between two city streets, like a bad dream
                                                                   We could barely survive in the world outside, where the
                                                                   writin's on the wall
                                                                   Still she lets me know, we just can't let go, and she takes my
                                                                   heart away
                       Let ring - - - >
                                                                   [Rhy. Fig 7]
                                                                   When she tells me I want it, I go crazy, I need it When she touches I feel it, right there in her eyes
                                                                   [Rhy. Fig 8 w/ Rhy. Fig 10]
                                                                   I'm the King of Hearts, livin' in a fantasy
                                                                   The King of Hearts, when she's layin' next to me
                                                                   [Rhy. Fig 9 w/ Rhy. Fig 11]
Rhythm Fig. 7
                                                                   Shinin' like a jewel tonight, love is gonna rule tonight
                                                                   Yeah I'm gonna be the only one, to be King of Hearts
Rhythm Fig. 8
                                                                   [Rhy. Fig 12]
Rhythm Fig. 9
                                                                   [Rhy. Fig 6]
                                                                   Like a neon light, the shadows flash across my empty room
                                                                   We could leave tonight and save ourselves from a bad scene
Rhythm Fig. 10 (let ring)
                                                                   When we walk on by with our heads up high, all the faces turn
                                                                   our way
                                                                   Yeah it's in their eyes, and they realize, we can make our
                                                                   getaway
Rhythm Fig. 11 (let ring)
                                                                   [Rhy. Fig 7]
                                                                   When she tells me I want it, I go crazy, I need it
