                                                                                               Gradual
Rhythm Fig. 2
                                                                                              < - - - 2x - - - >
Rhythm Fig. 3
                                                                   RADAR FOR LOVE
                                                                   Paul Stanley, Desmond Child
                                                                   [Rhy. Fig 1]
End 1 (let ring)
                                                                   [Rhy. Fig 2]
                                                                   Passion fire runnin' through my veins
Get a little bit of love and I go insane
End 2 (let ring)
                                                                   I may talk big, baby, I don't lie
                                                                   Ooh the guys don't know but the girls know why
                                                                  Ooh girls know why, whoo oh
Rhythm Fig. 4a
                                                                   [Rhy. Fig 3]
                                                                   Get down and get to it
                                                                   I know you can do it
Rhythm Fig. 4b
                                                                  Get down and get to it
                                                                   I know you can do it, oh, oh, oh, oh
                                                                   [Rhy. Fig 4a]
                                                                   Radar for love, radar for love
I've got radar for love
Rhythm Fig. 4c
                                                                   Radar for love, ooh yeah
Rhythm Fig. 4d
                                                                   [Rhy. Fig 2]
                                                                   When you feel so hot that you can't hold still
                                                                   And you don't know how you're gonna get your fill
                                                                   Send an S.O.S. baby, I'm your man
Rhythm Fig. 5
                                                                   If I don't make good baby no one can
                                                                   Oh no one can, whoo oh
   < - - - - - - 3x - - - - - >
                                                                   [Rhy. Fig 3]
                                                                   Get down and get to it
   < - - - - - - 3x - - - - > < - - - 3x - - - >
                                                                   I know you can do it, come on
                                                                   Get down and get to it
Rhythm Fig. 6 (let ring)
                                                                  I know you can do it, oh, oh, oh, oh
   < - - - - - 2x - - - - >
                                                                  [Rhy. Fig 4b]
Radar for love, radar for love
I've got radar for love
                                                                   Radar, oh, oh [Rhy. Fig 4c]
Rhythm Fig. 7
                                                                   Radar for love, radar for love
                                                                   Radar, Radar for love, oh
                                                                   Yeah, ooh yeah, one more time
                                                                   Get down, ooh get down, get down, oh, oh
```

[Solo over Rhy. Fig 5] [Rhy. Fig 6] [Rhy. Fig 7] Get down, get down, oooh

[Rhy. Fig 4b with Outro solo] Radar for love, radar for love I've got radar for love Radar, ooh baby, baby

Acordes

Radar for love, radar for love

Radar, ooh, radar, ooh yeah Radar, oh, radar, oh yeah, radar, oh yeah Radar for love, radar, come on, radar, ha, radar, radar S.O.S, radar, radar, get the message, sugar, radar, radar for love

[Rhy. Fig 4d] (repeat and fade)
