

# Kiss - Say Yeah

Tom: C

(intro 4x) Em C G D

(verso 1)

You you're living your life when you're dreaming  
 Late at night you're hearing my voice in your head  
 But you (but you) can silence your own heavy breathing (Ha!)  
 When you try (you try), you wake up alone in your bed

(pre-refrão 1)

It's time you see what it's all about  
 There's one cure and there's no way out

(refrão)

I don't wanna hear you might  
 There's a fire gettin near and spark's ignite  
 If you're ready for a wild ride

Let me hear you say yeah (yeah yeah yeah)  
 Say yeah (yeah yeah yeah)

(verso 2)

I (I), I feel all the heat when you see me  
 And I know (I know) that you're feeling it too (oh yeah!)  
 Letting go (letting go) is something that should be so easy  
 Hold me close (hold me close), I know what you want when you do

(pré-refrão 2)

Your friends are telling you you're better alone  
 But you'll regret it when you get back home

(refrão)

I don't wanna hear you might  
 There's a fire gettin near and spark's ignite  
 If you're ready for a wild ride

Let me hear you say yeah (yeah yeah yeah)  
 Say yeah (yeah yeah yeah)

(ponte)

Who knows where we'll be in the morning  
 I know we're here tonight  
 get uptight and it all gets so boring  
 It takes two to make you come alive  
 take my hand, kiss your fears goodbye  
 there's something here that we can't deny

(solo base com os acordes do verso)  
 (pré-refrão 1)

(C G D )

Well, let me hear you say it

I wanna hear you say it

Let me hear you say yeah!... (yeah yeah yeah)  
 Say yeah (yeah yeah yeah)  
 Refrão)

I don't wanna hear you might  
 There's a fire gettin' near and sparks ignite  
 If you're ready for a wild ride

Let me hear you say yeah (yeah yeah yeah)

Say yeah (yeah yeah yeah) (2x)  
 Let me hear you say yeah... (yeah yeah yeah)

## Acordes
