She: by Kiss

Tab Transcription by Vince Josaphs V\_Josaphs@prodigy.com

This is an easier way to play this great Kiss song. Actually, this was written before Kiss was even started and they were still Wicked Lester. Anyway...I didn't include the lyrics because I just don't have the time and you probably already know them. I didn't include the solo either but it is similar to the solo in the Door's Five to One. Its an easy song.

Rhythm Figure 1
