

Kiss - Sure know Something

Tom: G

Afinação: Eb Ab Db Gb Bb

Eb Intro do baixo, adaptada para o violão:

Riff Antes do começo da musica:

I've been up and down, I've been all around
 I was mystified, almost terrified
 But late at night I still hear you call my name
 I've been on my own, I've been all alone
 I was hypnotized, I felt paralyzed
 But late at night I still want you just the same

I've been a gambler, but I'm nobody's fool
 And I sure know something, sure know something
 You showed me things they never taught me in school
 And I sure know something, sure know something
 No one can make me feel the way that you do
 And I sure know something, aha

I was seventeen, you were just a dream
 I was mesmerized, I felt scared inside
 You broke my heart and I still can feel the pain
 I've been counted out, I've had fear and doubt
 I've been starry eyed, never satisfied
 'Cause late at night I still need you just the same

I've been a gambler, but I'm nobody's fool
 And I sure know something, sure know something
 You showed me things they never taught me in school
 And I sure know something, sure know something
 No one can make me feel the way that you do
 And I sure know something, aha

I've been counted out, I've had fear and doubt
 I've been starry eyed, never satisfied
 'Cause late at night I still need you just the same
 Just the same, yeah

I've been a gambler, but I'm nobody's fool
 And I sure know something, sure know something
 You showed me things they never taught me in school

And I sure know something, sure know something
 No one can make me feel the way that you do
 And I sure know something, aha
 I've been a gambler, but I'm nobody's fool
 And I sure know something, sure know something
 You showed me things they never taught me in school
 And I sure know something, sure know something
 No one can make me feel the way that you do
 And I sure know something, aha
