D (repete riff 2)
Well, she walked up to me
And she asked me if I wanted to dance
She looked kind of nice
And so I said I might take a chance
When we danced she held me tight
And when I walked her home that night
All the stars were shinin' bright
And then she kissed me
Each time I saw her I couldn't wait to see her again
I wanted to let her know that she was more than a friend
I didn't know just what to do, so I whispered I love you

D She said that she loved me too and then she kissed me
She kissed me in a way that I'd never been kissed before
A She kissed me in a way that I want to be kissed forever more
D I knew that she was mine, so I gave her all the love that I had
D And one day she took me home to meet her ma and her dad
G Then I asked her to be my bride and always be right by my side
D Felt so happy, she almost cried and then she kissed me
