**WHEN YOUR WALLS COME DOWN**

Paul Stanley, Bruce Kulick, A. Mitchell

[Riff 1 w/ Riff 2]  
[Rhy. Fig 1 w/ Intro solo and Riff 3]  
[Rhy. Fig 2 w/ Riff 3]

[Rhy. Fig 4 w/ Riff 4]  
Liar, liar, got your pants on fire  
I know you want it, you know you want it too  
Hey diddle diddle, when the cat wants to fiddle  
The kitten's gotta give him the moon

[Rhy. Fig 5 w/ Rhy. Fig 6]  
And they say "you gotta look before you leap"  
And "we're gonna judge you by the friends you keep"  
But you're looking nasty and I'm in too deep  
You'll be real happy to be losing sleep

[Rhy. Fig 1 w/ Riff 3]  
When your walls come down, when your walls come down  
[Rhy. Fig 3 w/ Riff 3]  
When your walls come down, you get so crazy when there's no  
one around

[Rhy. Fig 4 w/ Riff 4]  
You got your script from a Cosmo guide, "15 Ways to Find a  
Lover"  
Don't you make me chase you, cause the author lied  
You'll get your answers, babe, under the covers

[Rhy. Fig 5 w/ Rhy. Fig 6]  
You say "I wanna wait until I'm really sure"  
And "I want a love to last forever more"  
And "I've got my pride, I've got my dignity"  
Well you'll swallow everything when you're with me

[Rhy. Fig 1 w/ Riff 3]  
When your walls come down, when your walls come down  
[Rhy. Fig 2 w/ Riff 3]  
When your walls come down, you get so crazy when there's no  
one around

[Rhy. Fig 1 w/ Riff 3]  
When your walls come down, when your walls come down  
[Rhy. Fig 2 w/ Riff 3]

When your walls come down, ah, you're so

[Rhy. Fig 7]  
Come here baby and - auw...

[Solo over Rhy. Fig 8 w/ Riff 5]

[Rhy. Fig 9 w/ Rhy. Fig 10]  
And they say "you gotta look before you leap"  
And "we're gonna judge you by the friends you keep"  
Listen, you're looking nasty and I'm in too deep  
You'll be real happy to be losing sleep

[Rhy. Fig 1 w/ Riff 3]  
When your walls come down, when your walls come down

[Rhy. Fig 2 w/ Riff 3]  
When your walls come down, you get so crazy when there's no one around

[Rhy. Fig 1 w/ Riff 3] (2x)  
When your walls come down, when your walls come down  
When your walls come down, you get so crazy when there's no one around

[Rhy. Fig 1 w/ Riff 3 and Outro solo]  
When your walls come down, when your walls come down  
[Rhy. Fig 2 w/ Riff 3]  
When your walls come down, you get so crazy when there's no one around

(fade out)
