Intro: G

You can only see the stars

When the night is dark

You can only miss your love

When you are apart

Do you feel the same baby same baby same

Isn't it ironic hey it's all a game

You can only see the stars

When the night is dark

The night is dark

The night is dark

[Refrão]

You can only see the stars

When the night is dark

Flying up into the sky

When the ground's too hard

And it's all okay okay okay

Flowers only grow with a lot of rain

You can only see the stars

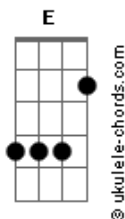

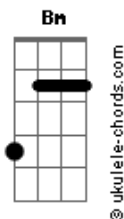

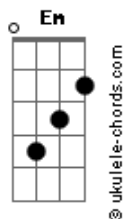

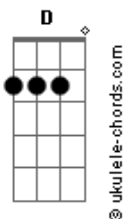

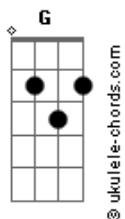

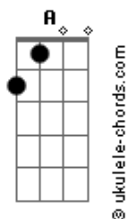

When the night is dark

The night is dark

The night is dark
