

Kleyton Liima - A Mulher Mais Linda

Tom: E

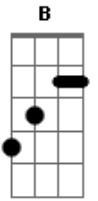

Você é a mulher mais linda
 Que eu já conheci
 De todas a que mais
 Me fez sofrer tanto assim
 E nessa ilusão
 Em que estou vivendo
 Sempre a cada dia te amo mais
 É essa emoção
 Que eu tô querendo

Te esquecer não sou capaz
 Vem, falar pra mim
 Que eu não te completo
 Dizer que precisa
 De um homem perfeito
 E meu amor está em outra pessoa
 Vem, olhar pra mim
 E me falar a verdade
 É se for outro
 Sua cara metade
 Eu vou tentar me entender numa boa
