

# Knox Hamilton - Mission Control

tom:

G

Eb

I never made it, but I know what it takes

F

I'm more than faded by a mix of emotion

Eb

Got my statement, and I'm reading it slow

F

So I can understand if who we appreciate mustn't you know

Eb

F

Out of this world and right on time

Eb

Oh never in my life have I seen the sky light up like this

Dm

Eb

Dm

Eb

I'm far away from earth and I wanna know if you exist

F

Mission control, do you read me?

Eb

Send me my coordinates lately

F

Mission control, am I drifting?

F

Tell me to someone who will love me

Eb

Wait, I think I'll have to be longer

F

Eb

Find, another reason to breathe this air

Eb

And now we made for ourselves

F

This won't be the last time

Eb

Oh never in my life have I seen the sky light up like this

Dm

Eb

I knew it when I met you

F

I'm not the only one who's alone

F

Find me someone and take me home

Eb

I knew it when I saw you

F

I'm not the only one hanging on

F

Tell me to someone who will love me

Eb

Oh never in my life did I wanna see you more than this

F

And every time you're lost I wonder if you know you're missed

Eb

F

I'm reeling when I can't get over your beauty watching this

Eb

F

I hope you know that I exist

F

Eb
