

Kodaline - Autopilot

	tom:	
Eb		Eb
I'm trying to connect with you		You don't enjoy the taste
To see the world the way you do	Eb	Ab
Try 'n' understand what's in your head	Ab	I just need a place to hide
I'm hearing what you said	Eb	Somewhere to make you right
'Cause I wanted to say	Ab	Eb
When I see you this way	Eb	If this isn't what you want
Don't ever let it break your heart	Ab	Head back to your own haunt
I'll go back to the start	Eb	Ab
I'll watch you fall apart	Ab	And you'll find the missing piece
Eb		Not just a big relief
Feels like an empty space		Cm
You don't enjoy the taste		Maybe you lost control
Ab		Bb
I just need a place to hide		Fallen into a hole
Somewhere to make you right		Db
Eb		The way that it was before
If this isn't what you want		Ab
Head back to your own haunt		It's all that you're looking for
Ab		Cm
And you'll find a missing piece		A lover is all you need
Not just a big relief		Bb
Cm		Someone that you can read
Maybe you lost control		Db Ab
Bb		Day in and day out
Fallen into a hole		Bb
Db		Means this one is all, all about
The way that it was before		Eb Ab
Ab		Somebody, you need
It's all that you're looking for		Ab Eb
Cm Bb		Somebody, you need
You just need to take a step back		Eb
Eb		Eb
This autopilot kicking in		Feels like an empty space
Ab		You don't enjoy the taste
You're feeling like you'll never win		Ab
Eb		I just need a place to hide
Hey, maybe I can help you out		Somewhere to make you right
Ab		Eb
Don't fall into your doubt		If this isn't what you want
Eb		Head back to your own haunt
I hear you screaming out		Ab
		And you'll find the missing piece
		Somebody that you need
		Eb Ab
		Somebody, you need
		Ab Eb
		Somebody, you need
