

Kodaline - The Answer

Tom: G

Watch your step or you might fall
 You act like you're a know-it-all
 Yeah I used to do that, I used to be like that, I'm still a bit like that
 You might think you found the one
 Until your heart gets ripped and torn
 Yeah I used to feel bad, I used to feel like that, still feel a bit like that
 But I'm not searching for the answer
 I'm not looking for the truth
 I'm just talking through a speaker
 Because that's all that I have ever learned to do
 Use your mind and make it talk

Cause in this world it's all you got
 And we all fall down from the highest clouds to the lowest ground
 Loneliness is worst of all
 When you got no one else to call
 Feeling kind of sad when the times are bad, the times are getting bad
 But I'm not searching for the answer
 I'm not looking for the truth
 I'm just talking through a speaker
 Because that's all that I have ever learned to do
 So watch your step or you might fall
 You act like you're a know-it-all
 Yeah I used to do that, I used to be like that, I'm still a bit like that
