Kora Leith - Favourite Song

Tom: B

Gbm m Everything's cold once the wind blows You're the only warmth that my body knows Gbm Bm Everything's bitter in my mouth F A You're the only sweetness that came around Chm Bm Gbm Everything I used to lack I don't want no more F You're the only thing I still adore Gbm You are all I want Α All I need F When the night's young Bm Gbm You are all I want You're all I breathe You're my favourite song Bm Gbm Everything's harder than it used to be F But you're the embodiment of simplicity Bm Gbm Life just seems to be stuck on repeat Α Then you came along and shuffled me Bm Gbm You're the breeze and all I see, you're the waves crashing

A I don't do too much but show my passion

Acordes

Е You're my passion Rm Ghm You are all I want Α All I need F When the night's young Bm Gbm You are all I want You're all I breathe You're my favourite song Bm The calm before the storm Gbm The light before dawn Α You're my favourite song Bm You're the lightning in the sky Gbm You're the perfect lullaby F You're my favourite song Bm Gbm You are all I want Α All I need F When the night's young Bm Gbm You are all I want You're all I breathe You're my favourite song
