In the night i hear 'em talk  
The coldest story ever told  
Somewhere far along this road  
He lost his soul  
To a woman so heartless  
How could you be so heartless  
oh  
How could you be so heartless

(verse 1)

Am F Dm7 E

How could you be so  
Cold as the winter wind when it breeze yo  
Just remember that you talkin' to me though  
You need to watch the way you talkin' to me though  
I mean after all the things that we been through  
I mean after all the things we got into  
And you i know its some things that you ain't told me  
And you i did some things but that's the old me  
And now you wanna give me back and you gonna show me  
So you walk round like you don't know me  
You got a new friend  
Well i got homies  
But in the end it's still so lonely

How could you be so dr. evil  
You bringing out a side of me that i don't know

Why we up 3 am on the phone  
Why do she be so mad at me for  
Homie, i don't know she's hot and cold  
I won't stop, won't mess my groove up

Coz i already know how this thing go  
You run and tell your friends that ya leaving me  
They say that they don't see what you see in me  
You wait a couple of months, then you gon' see  
You'll never find nobody better than me
