

Kris Allen - Live Like We're Dying

Tom: C

Am C F C
 Sometimes we fall down and can't get back up
 Am C F C
 We're hiding behind skin that's too tough
 Am C F C
 How come we don't say I love you enough
 Am C F C
 Till it's too late, it's not too late

Am C F C
 Our hearts are hungry for a food that won't come
 Am C F C
 We could make a feast from these crumbs
 Am C F C
 And we're all staring down the barrel of a gun
 Am C F C
 So if your life flashed before you, what would you wish you would've done

F G C F (Entire Chorus)
 Yeah? gotta start
 Looking at the hand of the time we've been given here
 This is all we got and we gotta start thinkin' it
 Every second counts on a clock that's tickin'

Gotta live like we're dying

We only got 86 400 seconds in a day
 To turn it all around or throw it all away
 We gotta tell 'em that we love 'em while we got the chance to say,
 Gotta live like we're dying

(Continued after the jump)
 Well if you plane fell out of the skies
 Who would you call with your last goodbyes
 Should be so careful who we live out of our lives
 So when we long for absolution, there'll be no one on the line

Yeah? we gotta start lookin' at the hand of the time we've been given here
 This all we got and we gotta start thinkin' it
 Every second count on a clock that's tickin'

Gotta live like we're dying

We only got 86 400 seconds in a day
 to turn it all around or throw it all away
 We gotta tell 'em that we love 'em while we got the chance to say,
 Gotta live like we're dying

Like we're dying oh?
 Like we're dying
 Like we're dying oh?
 Like we're dying

We only got 86 400 seconds in a day
 to turn it all around or throw it all away
 We gotta tell 'em that we love 'em while we got the chance to say,
 Gotta live like we're dying

You never know a good thing until it's gone
 you never see a crash until its head on
 All these people right when we're dead wrong,
 You never know a good thing till it's gone

Yeah? we gotta start lookin' at the hand of the time we've been given here
 this all we got and we gotta start thinkin' it
 Every second count on a clock that's tickin'
 Gotta live like we're dying

We only got 86 400 seconds in a day
 to turn it all around or throw it all away
 We gotta tell 'em that we love 'em while we got the chance to say,
 Gotta live like we're dying
 Like we're dying oh?
 Like we're dying
 Like we're dying oh?
 Like we're dying

We only got 86 400 seconds in a day
 to turn it all around or throw it all away
 We gotta tell 'em that we love 'em while we got the chance to say,
 Gotta live like we're dying
