

Kris Allen - Lost

tom: Gbm

Intro: Gbm A B D

[Primeira Parte]

I want to thank you for all your help
 Cause you're on to me, you're on to me I know
 You tell me all the bad things I didn't know about myself
 Yes, you're on to me, you're on to me I know

[Refrão]

Maybe I'm lost
 Maybe I'm lost
 Well maybe I'm lost
 But at least I'm looking
 But at least I'm looking

[Segunda Parte]

tom: Gbm

I wish a cat would get your tongue
 Cause you're on to me, you're on to me I know
 You got your hands in your pocket
 And you pull out your wallet with your two cents for everyone
 Guess you're on to me, yeah, you're on to me I know

[Refrão]

Maybe I'm lost
 Maybe I'm lost
 Well maybe I'm lost
 But at least I'm looking
 But at least I'm looking
 Oh, maybe I'm lost
 Maybe you're lost
 Cause you're not looking
 Well at least I'm looking

Acordes

Ukulele chord diagrams for Gbm, A, B, D, Bm, and E. Each diagram shows the fretboard with dots indicating finger positions. The diagrams are arranged horizontally and each includes a copyright notice for ukulele-chords.com.
