

Kris Kristofferson - From Here To Forever

tom:

^D
Cool shadows fall through the moonlight
^D ^G
Soft as the breeze through your hair
^D ^A ^G
And the smile on your face

When you're sleeping
^E ^A
Is the answer to anyone's prayer

^D ^G
Fill your heart for the mornin' tomorrow
^D ^A
You've still got a long way to grow
^D ^G
And the love that you're dreamin'
Will guide you
^D ^A ^D
And live like a song in your soul

^A ^D
And darlin' if we're not together
^A ^D
There's one thing i want you to know
^G ^D
I'll love you from here to forever
^A ^D
And be there wherever you go

(G D A D)

^D ^G
There are so many feelings to follow
^D ^A
So many chances to take
^D ^G
So many ways you can stumble
^E ^A
Someday your heart's gonna break

^D
Darlin' take all the time
^G
That you're given
^D ^A
Be all you know you can be
^D ^G
And if you need a reason for livin'
^D ^A ^D
Do it for love and for me

^A ^D
And darlin' if we're not together
^A ^D
There's one thing i want you to know
^G ^D
I'll love you from here to forever
^A ^D
And be there wherever you go
^G ^D
I will love you from here to forever
^A ^G ^D
And be there wherever you go
