

# Kris Kristofferson - Nobody Wins

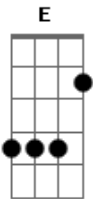

tom:  
 Any more it doesn't matter  
 Who's right or wrong  
 We've been injuring each other  
 For much too long  
 And it's too late to try to save  
 What might have been  
 It's over  
 Nobody wins  
 Make believin in forever  
 Is just a lie  
 And it seems a little sadder  
 Each time we try

'Cause it's a shame to make  
 The same mistakes again  
 And again  
 It's over  
 Nobody wins  
 We've gone too far too long  
 Too far apart  
 The lovin' was easy  
 It's the livin' that's hard  
 And there's no need to stay and see  
 The way it ends  
 It's over  
 Nobody wins
