

# Kris Kristofferson - Turpentine

tom:

Intro: C

I watch you grow away from me in photographs  
 And memories like spies  
 And salt betrays my eyes again  
 I started losing sleep and gaining weight  
 And wishing I was was ten again  
 So I could be your friend again  
 These days we go to waste like wine  
 That's turned to turpentine  
 It's six a.m. and I'm all messed up  
 I didn't mean to waste your time  
 So I'll fall back in line  
 But I'm warning you we're growing up  
 I heard you found some pretty words to say  
 You found your little game to play  
 And there's no one allowed in

Then just when we believe we could be great  
 Reality it permeates  
 And conquers from within again  
 These days we go to waste like wine  
 That's turned to turpentine  
 It's six a.m. and I'm all messed up  
 I didn't mean to waste your time  
 So I'll fall back in line  
 But I'm warning you we're growing up
