

Kris Kristofferson - Turpentine

tom:

Intro: C C

I watch you grow away from me in photographs G
 And memories like spies F
 And salt betrays my eyes again C
 I started losing sleep and gaining weight G
 And wishing I was was ten again F
 So I could be your friend again C
 These days we go to waste like wine G
 That's turned to turpentine F
 It's six a.m. and I'm all messed up C
 I didn't mean to waste your time G
 So I'll fall back in line F
 But I'm warning you we're growing up C
 I heard you found some pretty words to say G
 You found your little game to play F
 And there's no one allowed in C

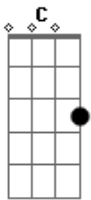

Then just when we believe we could be great
 Reality it permeates F
 And conquers from within again C
 These days we go to waste like wine G
 That's turned to turpentine F
 It's six a.m. and I'm all messed up C
 I didn't mean to waste your time G
 So I'll fall back in line F
 But I'm warning you we're growing up C
