

KT Tunstall - Another Place To Fall

Tom: C
Intro: Em F Em F

Em
Are you blind
Blind to me trying to be kind
Volunteering for your firing line
Waiting for one precious sign
The flicker of a smile
You should try it just once in a while
Maybe it's not quite your style
It's simply too easy to do
And you might not see it through
See it through
Em G D A Em G D A
So, find yourself another place to fall
Em G D A Em G D A
Find yourself up against another brick wall
Em G D A Em G D A
See your self as a fallen angel
Em G D A
Well I don't see no holes in the road but you
Find another place to fall
Em
Are you proud
To have found a brand new behaviour
With hatred and hurt as your saviour
But nobody's choosing to follow
Em
So you choke back the tears and you swallow

Men who have ruined your life
You consume them with minimum strife
But now you have got indigestion
The antacid comes as a question
Em G D A Em G D A
So, find yourself another place to fall
Em G D A Em G D A
Find yourself up against another brick wall
Em G D A Em G D A
See your self as a fallen angel
Em G D A
Well I don't see no holes in the road but you
Find another place to fall
Am Bm
There isn't much more I can say
Am
For I don't understand the delay
Bm
You're asking for friendly advice
Am
And remaining in permanent crisis
Bm
Affection is yours if you ask
Am
But first you must take off your mask
Bm
When your back's turned I've decided
Em F Em F
I'll throw it away just like I did
Em G D A Em G D A
So, find yourself another place to fall
Em G D A Em G D A
Find yourself up against another brick wall
Em G D A Em G D A
See your self as a fallen angel
Em G D A
Well I don't see no holes in the road but you
Find another place to fall
