

# KT Tunstall - Change

Tom: **G**

Intro: **Em A7 C B7**

**Em** **A7**  
The wind is cold tonight

**C**  
Or so I am told

**B7**  
I don't really know

**Em** **A7**  
As I kill my light

**C**  
There's nothing left to show

**B7**  
How does that blow at you?

**C** **B7** **Em** **C** **G**  
And if I change, am I denying what was said?

**C** **B7** **Em** **C** **G**  
If I remain the same, am I creating greater problems instead?

**Em** **A7**  
Do you ever think you've been thought about?

**Am**  
Do you still believe we need to sort things out?

**Em** **A7**  
Does it matter now, all those things we said?

**Am**  
I want to know, can I still creep into your bed at night

**Am**  
And leave your head alone?
