Intro: **Am** **F** **C**  
**G**

I'm growing like a seed **Am**  
Rains been falling on me **F**  
I've been covered in cold **C**  
I've been shrouded and downed **G**  
My heart is on a wire **Am**  
Sailing pretty like a bird **F**  
But the hunter is out **C**  
And the eagle is hurt **G**

The word that I **F** **Am** **G**  
Fee-eel, feel it all **F** **Am**  
Yes, I can fee-eel **G**  
Feel it all

I'm looking to the sky **Am**  
And I'll be listening to the stars **F**  
And maybe thinking of you **C**  
And wondering where you are **G** **Am**  
Do you know what you've done for me **F**  
You made my branches grow **C**  
Now they can play with the wind **G**  
And they can carry the snow

And they can fee-eel **F** **Am**  
Feel it all **G**  
Yes, They can fee-eel **F** **Am**  
Feel it all **G** **Am**

So take what you want **F**  
Leave what you don't need **C**  
And I'll go looking for you **G**  
You keep your eye out for me **Am**  
'cause our heart is on a wire **F**  
Sitting pretty like a bird **C**  
But the hunter is hunting **G**  
And the eagle is us

And we can fee-eel **F** **Am**  
Feel it all **G**  
Yes, we can fee-eel **F** **Am**  
Feel it all **G**

Oh, we can fee-eel **F** **Am**  
Feel it all **G**  
Oh, we can fee-eel **F** **Am**  
Feel it all **G**
