

# KT Tunstall - Gone To The Dogs

Tom: C  
Intro: >> C C2 Dm F G

Since you've been gone  
Gone to the dogs  
In a round-about way  
You're still sing  
Singing along  
I can see it in your face

And everywhere you go  
I'm there with you  
Still part of you  
I'll never let you  
Feel all alone  
But if you do  
I'll make sure you are  
Standing on your feet  
Cos' life could be sweet

But now you're gone  
Gone to the dogs  
And I don't know you like I did  
So why don't you say

Say it out loud  
All these things you hold inside  
Of yourself  
Holding on tight  
As if your frightened of the ride  
And everywhere you go  
It goes with you  
Takes part of you  
Never lets you go at it alone  
But if it would I know you could be so much more than this  
And life could be bliss  
And I try I try to hold you up  
And I never let you down  
And I do my best  
And I try to hold you up  
And I never let you down  
You let yourself down  
Let me down  
But now you're gone  
Gone to the dogs  
And I don't know you like I did
