

KT Tunstall - Hold On

```
Hold on 'cause the world will turn if you're ready or not
Intro: Am - Em x8
                                                             Am Bm C D, Am Bm E
Verse1
                                                             Verse2
                                                                            C
Say you, to me?? You're a bird with an eye for anything shiny
                                                             Simplicity??A heart of gold, an old head on young shoulders
                                                             Quiet and lovely?? Becomin' part of me
Searching the land for a hero of a man
                                                                       Е
               Em
                                                                                  C
You say I need more than my fair share of attention
                                                             and now I see??from a handful of names and a thousand faces
But I think you know that just isn't so
                                                             One light Burning fiercely
                                                                            Bm
       E
            C
Oh underneath I felt the fire of a burning question
                                                             I was tired of January, I was tired of June
                                                                    Bm
A E
Tearing me apart?? right from the very start
                                                               I felt a change a coming,
                                                                                             Ooah oh oh
                                                             A Bm C D
Tired of January, tired of June
And now I see??that it don't take a trick off the light to
                                                                      Bm
                                                              I felt a change a coming Ooahh oh oh
So strong .. so long??you'll see
                                                             I felt a change a coming, I felt a change a coming
                                                                                    C
Chorus
                                                             felt a change a coming soon oh oh
                       F
          Dm
                              Am
Hold On to what you been given lately ( been given lately )
                                                             Chorus, (Oooahh oh oh), Chorus, (Oh yeah)
          Dm
                    Е
Hold on to what you know you've got
                                                             Well the world will turn, if you're ready or not
                                                                                                                 (Oah
          Dm
Hold on to what you been given lately
                                                             Ohhh)
                                                             Am
                                                             Yes the world will turn if you're ready or not!
