E G Am A Am  
E G Am A Am

(Verse 2) - repeat Verse1  
Looks like I got to be hot and cold  
I got to be taught and told  
Got to be good as gold  
But perfectly honest  
I think it would be good for me  
Coz it's a hindrance to my health  
I'm a stranger to myself

(Chorus)  
D Am A Am7 D  
Miniature disasters and minor catastrophes  
Bring me to my knees  
F  
Well I must be my own master  
G2 E/b9 Am Am7 E7#9  
Or a miniature disaster will be  
It will be the death of me

(Verse 3) - repeat Verse1

I don't have to raise my voice  
Don't have to be underhand  
Just got to understand  
That it's gonna be up and down  
It's gonna be lost and found  
And I can't take to the sky  
Before I like it on the ground

(Bridge)  
F..  
And i need to be patient  
G2  
And i need to be brave  
E/b9  
Need to discover  
Am Am7  
How i need to behave  
F  
And I'll find out the answers  
G E/b9  
When i know what to ask  
Adim7  
But i speak a different language  
E7#9  
And everybody's talking too fast

(Chorus) - repeat Chorus  
Miniature disasters and minor catastrophes  
Bring me to my knees  
Well I must be my own master  
I've got to run a little faster  
I need to know I'll last if a little  
Miniature disaster hits me  
It could be the death of me
