

# KT Tunstall - Poison In Your Cup

tom:

Intro: F C G

[Primeira Parte]

Callous as you were  
 I can't believe you're calm  
 I thought you'd be a mess  
 Of conflict and regret  
 But there you stand so tall  
 A smile across your face  
 All shaven and cologned  
 But I can see no one's close enough to appreciate it  
 Ahh, ahhhh

[Segunda Parte]

Go ahead, you look to the side  
 As people shine your shoes  
 It doesn't matter to me anymore  
 You've lost your talent to bruise  
 But oh, the legacy you leave  
 Has left me out of breath  
 The only place it leads  
 Is to the death of a virgin part of me  
 Ahhh, ahhhh,  
 Ahhh, ahhhhh  
 Ahhhh

[Pré-Refrão]

Now you'll always worry

[Refrão]

There's poison in your cup  
 And beggars at your door  
 When you think of us  
 You'll wanna feel the coolness of the floor against your face  
 But there's no time to rest  
 For your forever chased  
 By the cold, cold, cold, coldness ahhhhhh

[Pré-Refrão]

Now you'll always worry

[Refrão]

There's poison in your cup  
 And beggars at your door  
 When you think of us  
 Oh no, and I'm not gonna feel, gonna feel it  
 Oh no, no no, I'm not gonna taste it no more  
 No no, I won't  
 No no, I'm not gonna taste it no more  
 No no, I won't  
 No no, I'm not gonna taste it no more  
 No no, I won't, oh oh, oh oh  
 Ahhh, ahhh  
 Ahhh, ahhhhh
