

KT Tunstall - Saving My Face

Tom: E

(com acordes na forma de Capotraste na 4ª casa) C)

Verse:
 See the look on my face
 From staying too long in one place
 And everytime I try to leave
 I find that I keep on stalling

Feeling like a big old stone
 Standing by the strength of my own
 And everytime the morning breaks
 I know I'm closer to falling

Chorus:
 Im all outta luck all outta faith
 I would give everythign just for a taste
 But everythings here all outta place
 Losing my memory saving my face
 Saving my face
 Saving my face
 Saving my face
 Saving my face

Verse:
 Im listening to what you say
 Even though I look the other way
 But you could never understand
 the feeling of what Im needing

Chorus:
 Im all outta luck all outta faith
 I would give everythign just for a taste
 But everythings here all outta place
 Losing my memory saving my face
 Saving my face
