

# KT Tunstall - Silent Sea

Tom: G  
Intro:

I was happy in my harbour  
When you cut me loose  
Floating on an ocean  
And confused

Winds are whipping waves up  
Like sky scrapers  
And the harder they hit me  
The less I seem to bruise

Oh when I  
Find the controls  
I'll go where I like  
I'll know where I want to be  
But maybe for now  
I'll stay right here  
On a silent sea  
On a silent sea  
On a silent sea

I was happy in my harbour  
When you cut me loose  
Floating on an ocean  
And confused

Oh when I  
Find the controls  
I'll go where I like  
I'll know where I want to be  
But maybe for now  
I'll stay right here  
On a silent sea  
On a silent sea  
I'll stay right here  
On a silent sea  
Oh when I  
Find the controls  
I'll go where I like  
I'll know where I want to be  
But maybe for now  
I'll stay right here  
On a silent sea
