Intro:

Verse 1:

Her face is a map of the world Is a map of the world
You can see she's a beautiful girl she's a beautiful girl

And Everything aRound her is a Silver pool of Light
The people who surround her feel the benefit of it

It makes you calm she holds you captivated in her palm

Chorus:

Suddenly I see This is what I wanna be

Suddenly I see Why the hell it means so much
to me

Suddenly I see This is what I wanna be

Suddenly I see Why the hell it means so much
to me

Verse 2:

I feel like walking the world Like walking the world
You can hear she's a beautiful girl She's a beautiful girl

She fills up every corner like she's born in black and white
Makes you feel warmer when you're trying to remember

What you heard She likes to leave you hanging on a wire

Chorus:

Suddenly I see This is what I wanna be

Suddenly I see Why the hell it means so much

to me

Suddenly I see This is what I wanna be

Suddenly I see Why the hell it means so much
to me

(play this over & over throughout the whole bridge)

And she's taller than most
And she's looking at me
I can see her eyes looking from a page in a magazine
Oh she makes me feel like I could be a tower
A big strong tower
She got the power to be
The power to give
The power to see

to me
