 (intro)

(verse 1)  
 I want you in between me and the feeling I get when I miss you  
  
 But everything here is telling me I should be fine

So why is it so, above as below, that I'm missing you every time

(intro)

(verse 2)  
 I got used to you whispering things to me into the evening

We followed the sun and its colors and left this world

It seems to me that I'm definitely hearing the best that I've heard

(chorus)

So throw me a rope to hold me in place

Show me a clock for counting my days down

Cause everything's easier when you're beside me, come back and find me cause I feel alone

(intro)

(verse 3)  
 And whenever you go it's like holding my breath underwater

I have to admit that I kind of like it when I do

Oh but I've got to be unconditionally unafraid of my days without you

(chorus)  
 So throw me a rope to hold me in place

Show me a clock for counting my days down

Cause everything's easier when you're beside me, come back and find me

Whenever I'm falling you're always behind me, come back and find me

Cause everything's easier when you're beside me, come back and find me cause I feel alone
